

## RED GROUP

One of our best moments was at the beach in Taormina. The reason that we decided to choose this moment is because everyone had a good time, and the weather was beautiful. There was music and people were able to enjoy refreshing drinks. Also, being able to swim in the sea was a very enjoyable experience, as we were able to swim with fish. To finish, we were able to sunbathe, and enjoy the view of the coastline.
