

# Who are we?

# SWOT

## Strengths

- Simple platform for innovators to connect with enterprises
- Easy to access
- A great chance to become an employee or business partner

## Opportunities

- This may become a global hub for innovators, employers and employees.

## Weaknesses

- Copyright issues
- How to get our company known
- Financing

## Threats

- Corporations such as Slush, Indiegogo, Kickstarter, LinkedIn and other startup companies
- We don't receive enough financial support
- How to get large companies interested in our services
