

Programme for Learning/Teaching/Training-Activities

(LTTA) in Gozo, Malta

Project Name: “I' AM HERE TOO”

Project -No: 2023-1-MT01-KA210-SCH-000157809

Co-funded by
the European Union

Time	Mon 21st Oct	Tue 22nd Oct	Wed 23rd Oct	Thr 24th Oct	Fri 25th Oct
9:00	Ice Breakers	Journey to the living world (Adapted for science lessons)	A BEAUTIFUL DAY' (Social studies lesson)	'I'M GOING TO THE HOSPITAL' (Adapted for English lesson)	Evaluation of the activities carried out
9:30	Presentation of partner organisation	Participants of the project and a group of special needs students from the school will attend the "Dream of Horses Farm" where they will have the chance to interact and feed animals. The owner of the farm will explain the benefits of this type of activities where each student is assigned a role (taking care of the horses, brush the horses, interact with other animals). With this activity, students will have the option to perform a real role within the animal and the food chain topics related to science. This will show how we can include special needs students in different activities where they can actively participate in their learning and	Shopping and preparing a Maltese Ftira.	Demonstration of Basic First Aid. Students with special needs will take part in a small workshop where they will learn basic first aid and how to phone to Emergency services. They will be involved actively in the workshop developing skills for life.	
10:00	Introducing Maltese Educational System and school tour.		Students will participate in this activity and will go shopping, allowing them to interact with different people in the supermarket, playing the role of customers, creating an environment that enables them to understand, evaluate, and provide solutions to real problems in everyday life. This activity is student-centred, allows active learning and contributes to students' interaction with each other, social skills, communication skills and language development. In this context, the ultimate purpose of this activity is to increase the		

		perform real roles in their everyday life.	academic success of inclusive students and to enable them to gain social adaptation skills. Afterwards, participants will prepare their own Ftira (a typical Maltese snack)		
11:00	Coffee Break		Coffee Break	Coffee Break	Coffee Break
